

We are sure you will find something lovely to fill your belly on our inclusive and homemade menu. We have an extensive range of vegan dishes and many gluten free dishes too!

We use local suppliers wherever possible, and aim to develop our menus around seasonal fruit, veg and meat.

On our menu you will find indicators for options/alternatives for those with dietary requirements. Our kitchen does however handle allergens, so please discuss dietary requirements with your server.

Here is a handy key:

V=vegetarian **VG**=Vegan **VGA**=vegan available **GF**=gluten free **GFA**=gluten free available **DF**=dairy free
